## 2015 New York Artadia Award Winners Announced

Park McArthur, Georgia Sagri, Yevgeniya Baras, Joe Fyfe, Donna Huanca, Bill Jenkins, Jennie Jieun Lee, Eric Mack, Sara Magenheimer, and Kameelah Rasheed are this year's New York Artadia awardees.

McArthur and Sagri will receive unrestricted funds of \$10,000 each, while the others will each be getting \$5,000 in unrestricted funds. All ten will be given access to the New York residency program as well. The jurors—Matthew Higgs, director and chief curator of White Columns, John Rasmussen, executive director of Midway Contemporary Art, and Ingrid Schaffner, curator, Carnegie International, Carnegie Museum of Art—noted that this year's winners "are a nucleus of what is dynamic about contemporary art and speak to something beyond the commercial marketplace."

Artadia currently offers grants on a cyclical basis, rotating through Atlanta, Boston, Chicago, Houston, Los Angeles, and San Francisco.
