Artadia, the nonprofit organization, has joined hands with the newly opened Los Angeles Contemporary art museum, Marciano Art Foundation, to create the [Marciano Artadia Award](#). It will grant \$25,000 to a Los Angeles-based artist annually. The two-tier jury process will select six finalists followed by a second panel that will conduct studio visits to choose the grant's three awardees. Two awardees will be selected by the jury, who will receive an unrestricted grant of \$10,000. A third selected awardee will go on to receive the Marciano Artadia Award in the amount of \$25,000. The awardees will be announced in March.
