2. Artadia Benefit

Phillips

To celebrate its 20th anniversary, **Artadia**—the nonprofit founded by **Christopher Vroom** that supports artists with merit-based awards—hosts a cocktail benefit at Phillips auction house. A silent auction of 35 works by Artadia Awardees will accompany the evening, with pieces by buzzworthy talents, including Farah Al Qasimi, Sadie Barnette, Katy Fischer, Joseph Havel, and Rocio Rodriguez. Guests will enjoy drinks by Casa Dragonos and music by Chances with Wolves. A portion of the proceeds from the 20th Century & Contemporary Art sale, which follows on May 15, will also benefit Artadia, with donated works by artists such as Shara Hughes, Jonas Wood, Cecily Brown, and Larry Bell.
